

You're So Funny

By Nellie Zucker

ANNOUNCER

Ladies and gentlemen, welcome back to the program. Just before the commercial break, our Bachelor Jameson McMichaels was faced with the decision to pick the love of his life right here on network television. And now, he's narrowed it down to two.

JAMESON

You both are so wonderful, each with your own merits. I don't know how I'm going to be able to make this decision.

ANNOUNCER

Look into your heart and search for what feels right. This is the biggest decision of your life and it's right now.

JENNA

Yeah Jameson the ball is totally in your court. Whatever you decide, we support you 100% and won't take it personally.

SARAH

Well I don't know about all that but, sure. Yeah. Go Jameson.

JAMESON

Thank you so much for saying that. It's just, each of you is special in your own way.

(The two women smile and look at each other, a nervous, excited laugh)

JAMESON

Jenna, you are so incredibly beautiful. My dates with you have made me feel like I'm living in a romantic dramedy. Your spirit shines through in everything that you do and when I'm with you, I feel like I can reach for the highest star.

(Jenna is visibly moved, holding her hands together in solemn appreciation)

JAMESON

And Sarah...

(Sarah shakes herself up like a boxer entering the ring, getting ready for her turn to be complimented)

SARAH

(Under her breath) Yes yes. Let's hear it. Here we go. Phewph.

JAMESON

Sarah, you are just so funny.

SARAH

(Deflated) W-what?

JAMESON

Yeah, you're just so funny and chill. I love the way you don't care what other people think about you and how you're just like one of the guys. I never have to worry about what I say around you because you just get it, man. Oop sorry. Wo-man. See, I feel so comfortable just chilling with you. It's like you're not even a girl at all. You're like.. Cool.

SARAH

Wait. I'm sorry what the fuck?

JAMESON

Ha! There you go again with the cursing! So sick, seriously. Ugh, this decision is so hard.

ANNOUNCER

To help you out, let's do a quick recap of your dates.

JAMESON

Right, with Jenna we did a wine tour while riding horses on the beach. At the end of it, we did a chocolate tasting off of each other's body until the break of dawn. And Sarah. Bro, did we have a blast! Very tight of you to have that Buffalo Wild Wings gift card at the ready. Good thing we went to the DMV to get your passport photos after! All that sauce on your face!

SARAH

It sounds like we just ran errands?

ANNOUNCER

And what was your favorite part about the hometowns, Jameson?

JAMESON

Well for starters Jenna, wow. When we went on that river cruise of Danube with your extended family, I really felt like one of the Duggards. Oh, man and Sarah. It was so cute the way you and your dad both have really strong handshakes.

ANNOUNCER

Well Jameson it seems like you've got a pretty evenly matched duo here, each with their own merits. Unfortunately, you can only legally choose one. Who will it be?

JENNA

Jameson, if I may use my voice here for a second. I think that you're a really amazing guy with a tender soul and the clarity of mind to see people for who they truly are. I believe in you with the utmost certainty to select whichever of us you think is the better person fundamentally to be your wife. If you even want to like label it. I-

ANNOUNCER

Alright, Jenna! Thank you for that unsolicited piece of advice. Kind of my job, but go ahead I guess. Jameson?

SARAH

No no, sorry. I just have a couple of questions. That was your takeaway from our last seven weeks together? What about my spirit? Did you notice anything about my spirit?

JAMESON

No Sarah, obviously I love your spirit. And of course I find you super attractive. That's why you're top two, baby. It's just like I'm not really sure what my vibe is right now. I'm not going to apologize for being such a thoughtful sensitive guy.

JENNA

Honestly, Sarah, you are so funny. Remember that joke you told me just before we got here about how you weren't sure if you would even be able to marry Jameson because he looks kind of like your dad and you're worried what it means if you still think he's kinda hot.

SARAH

That was private and also not a joke.

JENNA

Oh, I thought it was funny! You were so stressed! Ah! I'm just thrilled to be here, obviously.

ANNOUNCER

Well, all of this incessant chattering now needs to come to an end. Jameson. Time for you to decide.

JAMESON

Honestly. I just. Want. to. Vibe. I feel like the only one that I could truly hang with is... Sarah.

(Fun/ romantic music begin to play)

(Jameson hands her the rose and she throws it)

JAMESON

Nice arm!

SARAH

Wait what? That's it? You picked me because you think that I ate a burger one time? That's not a personality trait. That's not even my trait. I'm a pescatarian! I feel like you don't even

know me. I'm not some bro, bro. I have a Ph.D. in Latin. I want to ride horses and drink wine and go on boats. But you know what, I can't. And just so you know, you don't feel comfortable chilling with me because I'm bro, you feel comfortable because we have a genuine connection and I think that's really beautiful and I think we could be a part of something bigger than just-

JAMESON

(holds hand out) Pause. That was not very chill of you. Actually Jenna, if I pick you are you gtg like now?

JENNA

Yes, yes a million times yes, I thought you'd never ask!

ANNOUNCER

Alright! Usually on this show, the second-place winner would be the contestant on the next season looking for love, but Sarah we would like to offer you an hour Netflix special!

SARAH

I don't do comedy! I want to teach Latin at the collegiate level!

ANNOUNCER

There she goes again! What a HOOT! Alright folks, well there you have it. Alright toon in next week for Single Dude on a Beach with Every Ethnicity of Women!
